

# SubRon 8

Rochester, New York

SubRon 8 is a local chapter of the SubCommittee; we are based in the Greater Rochester area and have been together as a group for the last 10years. We are involved in many levels of submarines, from Beginners to Advanced modeling.

For more information about The Subcommittee, please check out the website: <http://www.subcommittee.com/>.

For more information about our group, please contact:
